

## **Life Skills -Week 9**

### **Covid-19 Time Capsule**

Before starting the activities, talk together about time capsules are and how you, as a family can create your own based on your own current situation.

In the future, people will look back upon this period as a major event in our history. This won't last forever and you will tell your children, grandchildren, nieces and nephews about life in lockdown.

Everything you need to complete your own time capsule in included.

Have fun and take plenty of photos.
