## One-Cup Yoghurt Cake

### **Ingredients:**

3 cups self-raising flour  
1 cup caster sugar  
1 cup plain/flavoured yoghurt  
1 cup vegetable oil  
3 eggs

### **Equipment:**

2 x 1lb loaf tins (lined)  
1 cup  
1 large mixing bowl  
1 small bowl  
sieve  
tablespoon  
wooden spoon

### **Method**

1. Collect equipment and ingredients
2. Switch oven on to 160C fan.
3. Line loaf tins.
4. Measure self-raising flour and sugar using cup.
5. Sieve into large bowl.
6. Add yoghurt, vegetable oil and eggs to flour and sugar mixture.
7. Mix with wooden spoon until smooth.
8. Divide mixture evenly between the 2 loaf tins.
9. Bake for 35 - 40 minutes until.
10. Cool in tin for 5 minutes and then on cooling tray.
