

Learning Outcome 2

19. Do you have any concerns about this job/course?

Don't answer with just one word. If your answer to this or any other question is no, then elaborate by stating that your concerns have been answered through the course of the interview.

20. Do you have any questions to ask?

Don't answer with just one word. Don't be scared to seek clarification if you don't understand a question.
