

Summer plans!!

Your summer holidays are nearly here!! You all have worked so hard this year and coped with a lot of changes! We are so proud of how you have handled yourselves 😊

Please enjoy this holiday time before we see some of you back in September! Here are a couple of ideas to make the most of your time off...

You can tick them off as you go along 😊

Please take photos of all the fun things you get up to and email them to us!

- Go to somewhere you have never been before
- Explore a new walk that you've not done
- Catch up with a friend (or 2) who you haven't seen in a long time
- Have a water fight with someone
- Make a picnic and go and find a nice place to have it
- Create a summer time music playlist
- Learn how to cook your favourite meal
- Challenge yourself to turn your phone off for a whole day!
- Do a random act of kindness to someone who you appreciate
- Make S'mores (melted marshmallow inbetween 2 biscuits of your choice!)
- Take a trip to a beach or forest and bring a picnic
