

2D shape recognition

A colorful educational poster titled "2D Shapes" on a light blue background. The title is in large, white, outlined letters. To the left of the title is a house with a blue roof, red walls, and yellow windows, with a sun and two green trees above it. To the right is a train with a red engine, a green car, and a blue car, with yellow wheels and a yellow smokestack. Below the title are eight boxes, each containing a different 2D shape with its name written in a white box below it. The shapes are: a yellow circle, a red square, a blue triangle, a green rectangle, a red heart, a blue oval, a green diamond, and a yellow star. The text "Enriched Learning Resources" is visible in the bottom right corner.

 circle	 square	 triangle	 rectangle
 heart	 oval	 diamond	 star
