

Art Challenge - Week 5

Bubble Art

Mix some paint with water and add a few drops of washing up liquid

Techniques you can try:

- If you have straws blow bubbles and press paper on top
- You can also use a cut up bottle to blow bubble patterns
- You could blow with a straw onto paper, pushing the paint around to make funny shapes
- If you don't have paint try drawing with coloured pencil or chalk to create a bubble effect
- Check out these videos to help:
