### Task Seven

## UNIT 6

### Come, Little Monkey

'I've lost my mum!'

*'Hush, little monkey, don't you cry.  
I'll help you find her,' said Butterfly.  
'Let's have a think. How big is she?'*

'She's big!' said the monkey. 'Bigger than me.'

*'Bigger than you? Then I've seen your mum.  
Come, little monkey, come, come, come.'*

'No, no, no! That's an elephant.  
My mum isn't a great grey hunk.  
She hasn't got tusks or a curly trunk.  
She doesn't have great thick baggy knees.  
And anyway, her tail coils round trees.'

*'She coils round trees? Then she's very near.  
Quick, little monkey! She's over here.'*

'No, no, no! That's a snake.  
Mum doesn't look a *bit* like this.  
She doesn't slither about and hiss.  
She doesn't curl round a nest of eggs.  
And anyway, my mum's got more legs.'

*'It's legs we're looking for now, you say?  
I know where she is, then. Come this way.' ...*
